Sir,

Adverting to your letter No.L.945/L.B. dated 21st July 1943 requesting me to enquire and intimate if the Mayakonda Minor Municipal Council is in a position to contribute Rs.50/- every year towards the recurring charges and Rs.333-5-4 towards the initial expenditure of opening and maintaining a Veterinary Dispensary at Mayakonda, I have the honour to state that the Municipal Council at its meeting convened on the 29th October 1942, has resolved that a sum of Rs.50/- per ~~annum~~ anum may be paid from the Municipal Funds towards the maintenance charges ~~xx~~ of the proposed Veterinary Dispensary and a sum of Rs.333-5-4 towards the initial expenditure out of the closing balance of the Municipality for the current year. The Municipality is in a position to meet the above expenditure, as the normal expenditure is within the normal income. Besides, the Municipal Council has an investment of Rs.4105/- in the Mysore Government Savings Bank at Davangere. I therefore recommend that in the interest of the health of the cattle of the locality and the improvement of the live-stock, a Veterinary Dispensary may be sanctioned to Mayakonda as resolved by the Council.

The entire file of records ending with report No.20/43-44 dated the 18th October 1943 received from the President of Mayakonda Municipality, is herewith submitted for favour of kind perusal,

The nearest Veterinary Dispensary to the place is at Davangere which is more than 15 miles from the village. Both the District Board and the Municipal Council are agreeable to pay their quota of charges for opening the Dispensary and copy of the resolutions in respect thereof is enclosed herewith for kind perusal. Further, one Mr. H. T. Rudrappa of Mayakonda has agreed in writing to donate a building for the purpose which on inspection is reported to be suitable.

I recommend that the proposal may be sanctioned and the Dispensary opened at the place subject to payment of quotas by the local bodies into the Treasury and availability of the necessary staff and equipment. The net expenditure to Government after recovery from the local bodies concerned of the share of recurring and non-recurring charges will be met from the sanctioned grants of the Department for 'Opening of New Veterinary Dispensaries'.

I have the honour to be,
Sir,
Your most obedient servant,

Mayuravarman (signature)

Director of Agriculture.
